

USING HOMEOWNER TESTIMONIALS FROM THE DEADER THAN DEAD TOUR

We heard how cool it was to take a selfie with a 7-foot dead termite on a hearse. Check out what else we heard from real customers who protect their homes with the Sentricon® system. The homeowner testimonial videos and graphics below can be shared on your personal or company social media channels. We've even included text for you to post with the videos to get you started. [Videos](#) and [graphics](#) can be downloaded from the CSS Resource Center.

Meet Paul. Hear how he found peace of mind with the Sentricon® system.

"THE CHOICE FOR THE SENTRICON PRODUCT CAME DOWN TO TRUSTING THE COMPANY THAT WAS PROVIDING IT."
— PAUL B.

Meet Debbie. She protects her home with the Sentricon® system because it's working 24/7 — just like termites do. Protect your biggest investment with the Sentricon system.

"TERMITES NEVER SLEEP, AND NEITHER DOES THE SENTRICON SYSTEM."
— DEBBIE B.

Meet Stacy. She'll do whatever it takes to keep her historic home around for another 100+ years. That's why she chose termite protection from the Sentricon® system.

"WHAT I LOVE MOST ABOUT THE SENTRICON SYSTEM IS PEACE OF MIND."
— STACY W.

Meet Mack. He's confident in his choice of the Sentricon® system because it's working all day, every day. Complete peace of mind about termite damage.

"IT'S WORKING 24/7/365."
— MACK O.

Meet Mack. He chose the Sentricon® system to protect his new home for the long haul.

"WE KNEW THAT CHOOSING SENTRICON WOULD BE THE BEST OPTION FOR THE LONG HAUL FOR US. EVEN IF WE DON'T SELL [OUR HOUSE] FOR FIVE TO 10 YEARS, AT LEAST TERMITES WILL NEVER BE A PROBLEM FOR US."
— MACK O.

Meet Jordan. He's a new homeowner who's making investments in his starter home. The Sentricon® system provided a solution to get rid of the termites he had — and provide preventive, ongoing protection.

"SINCE WE ARE LOOKING AT THIS HOUSE AS AN INVESTMENT FOR OUR FUTURE, WE REALLY WANTED TO DO EVERYTHING WE COULD TO PROTECT THAT."
— JORDAN S.

Meet Melanie. She's a planner and has been thinking ahead to when she or her children will have to sell her house. She's had the Sentricon® system for 15+ years because she wants to maximize the return on her home.

"WE HAVE KEPT THE SENTRICON SYSTEM AND WILL CONTINUE TO KEEP IT FOR AS LONG AS WE OWN THE HOUSE, BECAUSE IT IS PREVENTIVE MEDICINE FOR THE HOUSE."
— MELANIE B.

PRO TIP: When uploading the video to your Facebook page, turn on closed captions to increase video consumption. Videos automatically play without sound, and many people watch videos on their phones or computers in public. Don't forget to double-check Facebook's auto-generated captions for errors or misspellings.
